Speak to me in a language I can hear  
Humor me before I have to go

Deep in thought, I forgive everyone  
As the cluttered streets greet me once again

I know I can't be late  
Supper's waiting on the table

Tomorrow's just an excuse away  
So I pull my collar up and face the cold

On my own

The earth laughs beneath my heavy feet  
At the blasphemy in my old jangly walk

Steeple guide me to my heart and home  
The sun is out and up and down again

I know I'll make it  
Love can last forever  
Graceful swans of never  
Topple to the earth  
And you

Can make it last forever, you  
Can make it last forever, you  
Can make it last

And for a moment I lose myself  
Wrapped up in the pleasures of the world

I've journeyed here and there and back again  
But in the same old haunts I still find my friends

Mysteries not ready to reveal  
Sympathies I'm ready to return

I'll make the effort  
Love can last forever  
Graceful swans of never

Topple to the earth  
Tomorrow's just an excuse  
Tomorrow's just an excuse and you  
Can make it last, forever you  
Can make it last, forever you  
Can make it last, forever you

Forever, you...
