Wrap me up in always
And drag me in with maybes
Your innocence is treasure

Your innocence is death
Your innocence is all I have
Breathing underwater
And living under glass

And if you spin your love around
The secrets of your dreams
You may find your love is gone
And is not quite what it seemed

To appear to disappear
Beneath all your darkest fears

I believe in never, I believe in all the way
But belief is not to notice
Belief is just some faith
And faith can't help you to escape

And with this ring I wed thee true
And with this ring I wed thee now
And with this ring I play so dead
But no one's asking for the truth
So let me tell you

If you spin your love around
The secrets of your dreams
You may find your love is gone
And is not quite what it seemed

To appear to disappear
Beneath all your darkest fears

To the revelations
Of fresh faced youth
No one will come to save you

So speak your peace
In the murmurs drawn

But youth is wasted on the young

Your strength is my weakness
Your weakness my hate
My love for you just can't explain
Why we're forever frozen, forever beautiful
Forever lost inside ourselves

The night has come to hold us young
The night has come to hold us young
The night has come to hold us young

The night has come to hold us young
The night has come to hold us young
The night has come to hold us young
