I don't look in the mirror  
I don't like what I see staring back at me  
Everything is clearer  
I'll never see what you see

It's not me  
So beautiful and free  
I'll never be what you need

Can't help at all  
I was born so beautiful  
But now I'm ugly

And I rot in my skin  
As a piece of me dies everyday  
I know I'm nothing  
I know there's nothing I can say

To change  
The judgment in their ways  
I'll never be what you need

Can't help at all  
My love was so beautiful  
But now I'm ugly, yeah

I'm good enough but I don't care  
I'm good enough but I'm not there  
I'm good enough but I don't care  
The sun is out, but I'm not there

I'm good enough but I don't care  
The sun is out, but I'm not there  
I'm good enough  
I'm good enough

I don't look in the mirror  
I don't like what I see staring back at me  
Everything is clearer  
I'll never see what you see

And I rot in my skin

As a piece of me dies everyday  
I know I'm nothing  
Because I'm ugly
