Picking coconuts from the coconut tree

Biggest coconuts that you ever see

Picking coconuts from the coconut tree

Biggest coconuts that you ever see
Feeling free and happy

Come follow come follow, follow, follow me

Biggest coconuts that you ever see
Feeling free and happy

Ohh, all the sunshine boys
Let's start the party
Ohh, all the sunshine girls
Let's have a good time
Ohh, everybody, were going to party tonight, tonight,
tonight

Come follow come follow, follow, follow me
nah nah nah nah nah nah nah nah
Picking coconuts from the coconut tree
nah nah nah nah nah nah
Come follow come follow, follow, follow me

Biggest coconuts that you ever see
Feeling free and happy

Ohh, all the sunshine boys
Let's start the party
Ohh, all the sunshine girls
Let's have a good time
Ohh, everybody, were going to party tonight, tonight,
tonight

Come buy a co-co-co-nut

What's the matter with you
Come buy a co-co-co-nut
Come on, come on

Come buy a co-co-co-nut
What's the matter with you
Come buy a co-co-co-nut
Come on, come on

Picking coconuts from the coconut tree
Biggest coconuts that you ever see
Picking coconuts from the coconut tree
Come follow come follow, follow, follow me
Picking coconuts from the coconut tree
Biggest coconuts that you ever see
Picking coconuts from the coconut tree
Feeling free and happy

Ohh, all the sunshine boys
Let's start the party
Ohh, all the sunshine girls
Let's have a good time
Ohh, everybody, were going to party tonight, tonight,
tonight

Ohh, all the sunshine boys
Let's start the party
Ohh, all the sunshine girls
Let's have a good time
Ohh, everybody, were going to party tonight, tonight,
