I once went out with a hip-hop kid  
Jump and spin was all he did  
Then I dated a raver guy  
He lost his speech when he got high

And I remember a London mod  
But he could never be my god  
Some guys I know love funk and soul  
They need to feel it when the music rolls

You could say I tried all the rest  
But now I finally found the best, soÂ...

DonÂ't let go, oh no no donÂ't let go  
DonÂ't let go, now we found a rhythm  
May be slow, turn on my radio  
DonÂ't let go  
Hear the song within you now!

I never fancied any punks  
They tend to fight when they get drunk  
My last boyfriend was into trance  
That guy could really dance, dance, dance!

You could say I tried all the rest  
But now I finally found the best, soÂ...

DonÂ't let go, oh no no donÂ't let go  
DonÂ't let go, now we found a rhythm  
May be slow, turn on my radio  
DonÂ't let go  
Hear the song within youÂ....

Ah, ah, ah, I got the music  
Ah, ah, I know how to use it  
Ah, ah, ah, donÂ't wanna lose it  
LetÂ's make sweet music together now!

Ah, ah, ah - You could say I tried all the rest  
Ah, ah, ah - But now I finally found the best, soÂ...

DonÂ't let go, oh no no donÂ't let go

Don't let go, now we found a rhythm  
May be slow, turn on my radio  
Don't let go  
Hear the song within you ....

Ah, ah, ah I got the music  
Ah, ah, I know how to use it  
Ah, ah, ah, don't wanna lose it  
Let's make sweet music together.....

Don't let go, oh no no don't let go  
Don't let go, now we found a rhythm  
May be slow, turn on my radio  
Don't let go  
Hear the song within you now!

Hear the song within you now!
