In the middle of the night (3x)

You lied and deceived me  
In many, many different ways  
I tried to believe in  
Everything you did or said  
So now when you're calling  
Don't try to make a fool of me again  
In the middle of the night!

In the middle of the night  
I'm never gonna be, I'm sorry  
Cause I've heard it all before  
In the middle of the night  
Never ever gonna feel a worry  
In the middle of the night

You wanted my forgiveness  
But I don't wanna hear it now  
To give and to take is  
WhatÂ'cha have to learn about  
So now when you're callinÂ'  
Don't try to make a fool of me again  
In the middle of the night!

In the middle of the night  
I'm never gonna be, I'm sorry  
Cause I've heard it all before  
In the middle of the night  
Never ever gonna feel a worry  
In the middle of the night

In the middle of the night

Cause IÂ've heard it all before  
In the middle of the night

In the middle of the night!

In the middle of the night (night~)  
Cause IÂ've heard it all before  
In the middle of the night (night~)

Cause Iâ've heard it all before  
In the middle of the night  
(Oh~ baby!)

In the middle of the night  
I'm never gonna be, I'm sorry (Uh-huh!)  
Cause Iâ've heard it all before  
In the middle of the night  
Never ever gonna feel a worry (Uh-huh!)  
In the middle of the night (Oh, baby!)

In the middle of the night  
I'm never gonna be, I'm sorry (Oh, yeah!)  
Cause Iâ've heard it all before (Uh-huh!)  
In the middle of the night  
Never ever gonna feel a worry (Oh, yeah!)  
In the middle of the night
