Leave a car at the bottom, take the other to the top.
Scream and yell all you want I guarantee the fun won't
stop
Dodging cars is lots of fun, see a cop you better run
Me and God and all my friends, seems like this fun just
never ends

Skateboard, down the hill again, Skateboard, till 4 AM

Watch out for cars, there's a few along the way
Might get some speed wobbles, but that's ok
Go to king soopers and get a snack,
Look at the magazines and then go back

Alameda- bomb the hill, Alameda- what a "thrill"
