Life's unsafe with risks to take,  
Always learn from our mistakes  
WHOOAAA!  
Feeling anxious stressed out and scared,  
Such a huge weight you feel alone,  
WHOOAOOOAAA!

Don't worry about anything, just enjoy life.  
Go get a slurpee, do what's right in God's eyes.  
Do the things you love to do,  
You know what things that you are best at  
Don't let anyone bring you down

Tomorrows the last day of trouble you know,  
Cause today is the first day of life  
Tomorrows the last day of trouble you know,  
Cause today is the first day of life (2, 3, go!)

Our faith is in Christ, sometimes we doubt.  
It's human nature we get confused.  
WHOOA!  
Don't let others cause you to doubt,  
The secular world is where we live.  
WHOOAOOOAA!

The questions they bring up lack of faith,  
And lack of faith can be contagious.  
The test of fire has begun,  
Process of elimination, weeds plucked out, out of the  
garden  
Endurance and mercy remain

(Chorus)
