You looked me in the eye,  
Just as you stabbed me in the back.  
And I was so angry so scared, ya  
You humiliated me and smashed my pride  
Down to the ground and I'm so thankful, so lucky

Love your enemies!  
Even though they hate your guts, ya!  
Love your enemies!  
Even though they make me cry  
Love your enemies!  
Even though they hate your guts, ya!  
Love your enemies!  
Even though they make me cry

You hit me on the cheek  
So I turned the other one and you spit on me  
You spread these rumors about me  
And say bad things behind my back  
And I'm so happy, I'm still smiling!

(Chorus)
