Visit "[Useless](#)" on MotoLyrics.com

You once were blind but now you see.
Only yourself not anybody.
Christ died for all and not just you.
So what stops you from telling them truth.
God gives hope, He gives us peace.
But you still won't tell anybody.
How is God ever going to use you.
When hiding your light is all you do.
You know the truth but you keep it to yourself, You're
useless
Glad someone told you but you won't tell anybody else,
You're useless
God gave you life and He took away your pain, You're
useless
While you sit and watch your friends die everyday,
You're useless
Silent you don't speak content with your security.
Passing up opportunities you have to tell.
Thinking someone else will so you don't have to.
