1,2 mic check, hold tight as we connect
1,2 mic check, hold tight as we connect
1,2 mic check, hold tight as we connect

Connect select my lyrical lecture
Man I bet ya built it like a architecture
While I crept to get you ride it like abus inspector
Gwan operator cause you are the selector
Leave you horizontal like it's bruce lee
You stepped to right inna the dance
I look you right inna your retina
I don't play Jah know as I would say
SMith & mighty sound system lyrical DJ
Take it in, feel riddim come in like ginseng
Flinging the beats to make you rock while
Your neck dipping your chin
I'm ready, DJ's ready, are you ready
Devastating out lyricism
Futuristic reggae chuh!
Futuristic reggae texture, inna the center
Smith & mighty sound just enter
We just enter, so just enter
We just enter, so just enter
What happen, while jamming to this beat pattern
We followed through distinctive beats
Speakers attacking to your eardrum with some
Fearsome heavyweight line
This time with beats and rhymes
To make you feet fine
We leave you hollow, you see mylead
Run come and follow
Exploding like a pulp you gulp but
Never swallow like Tai chi
Our stylee is melodies in frequencies
They call dubwise know what I mean
Futuristic reggae texture, inna the center
Smith & mighty sound just enter
Futuristic reggae texture, inna the center
Smith & mighty sound just enter
Futuristic reggae texture, inna the center

Smith & mighty sound just enter
Futuristic reggae texture, inna the center
Smith & mighty sound just enter
We just enter, so just enter, we just enter
So just enter, just enter, just enter
1,2 mic check, hold tight as we connect
1,2 mic check, hold tight as we connect
1,2 mic check, hold tight as we connect
That's the way that we connect
