(feat. Chantelle)

What's on your mind
What's on your mind

Won't you tell me what's on your mind

What's on your mind
Won't you tell me what's on your mind

I saw you looking at me
That friday night at the club
And i saw you looking mighty fine
Looking at you wasn't enough

I saw you looking at me
That friday night at the club
And i saw you looking mighty fine
Won't you tell me what's on your mind

What's on your mind
What's on your mind
What's on your mind

Tell me do you feel the same
Tell me do you feel the same

Won't you tell me what's on your mind
Won't you tell me what's on your mind
Won't you tell me what's on your mind
Won't you tell me what's on your mind
Won't you tell me what's on your mind
Won't you tell me what's on your mind

What's on your mind
