"Judge Not"

Visit "[Judge Not](#)" on MotoLyrics.com

Judge Not speak hardly at all love and
Act for that is your
Will abandon fruits of the work
Every action offering
Initiate to be transformed
Indicates Regeneration
Judge not speak hardly at all love and
Act for that is your
Will self-conquest failures and Disappointment and
renewal
Abandon fruit of the work indicates regeneration
She said I have two perfect words
Perfect love and perfect trust
Know them truly if you please
Disregard them if you must
