Yeah everyone know say the dancehall a di best  
Place in the world where you can release some stress,  
yeaaah  
Run and come, run and come, run and come  
Run and come, run and come, run and come  
Run and come, run and come now

Run come people forget your worries and troubles and  
Dence to the drum and the bass come on now and get  
A taste, so run come hurry forget your troubles and  
Worries and dance to the bass and the drum 'Cause  
Tonight we're gonna have some fun

I can't wait to reach the session (aah ah)  
I'm gonna dance and release some tension (ooh oh)  
Cause everyone knews the dance is the best (aah ah)  
Place in the world where youc an relieve your stress

For the life we have we're giving praise (aah ah)  
And gaining strength for the next seven days (ooh oh)  
So leave your problems at the front door (aah ah)  
'Cause we're fonna dance on the dance floor

Run come people forget your worries and troubles and  
Dence to the drum and the bass come on now and get  
A taste, so run come hurry forget your troubles and  
Worries and dance to the bass and the drum 'Cause  
Tonight we're gonna have some fun

Ooh ooh ahh ah I said run a run a come ooh ooh ahh  
ahh  
And dance to the bass and the drum 'cause tonight  
We're gonna have some fun
