Sexual harassment - nuclear reactors
Natural disasters from here to L.A.
Drug importers
New world order
Wars over borders
Murder on the subway
The social classes - the high rise of taxes
Diplomats are passive with a promise again
Talk of recession - people in depression
Dow Jones, bank loans, the Japanese yen
Chorus I:
I wait for Kingdom Come
When love will be here to stay
It will change us, everyone
Someday, someday
Violence in the movies
Drive-by shootings
Rioting and looting
With the boys in the hood
Cults and religions
Deadly premonitions
Fiery oppositions
Evil battling good
AIDS awareness
Temporary marriage
Pro-life, pro-choice
Roe v. Wade
Ethics and the Media
Tabloid T.V.
The Kennedy conspiracy
The trial of O.J.
Chorus II:
I wait for kingdom come
When love will be here to stay
It will change us everyone
Someday, someday
There peace will make a stand
And the anger will fall away
We'll see the lion with the lamb
Someday, someday, someday
Repeat Chorus II
