Toward another  
he has gone  
to breathe an air  
beyond his own  
toward a wisdom  
beyond the shelf  
toward a dream  
that dreams itself

about a boy  
beyond it all

from the forest  
from the foam  
from the field  
that he had  
known  
toward a river  
twice as blessed  
toward the inn  
of happiness

about a boy  
beyond it all

from a chaos  
raging sweet  
from the deep  
and dismal street  
toward another  
kind of peace  
toward the great  
emptiness

about a boy  
beyond it all
