Every night before I go to sleep
Find a ticket, win a lottery,
Scoop the pearls up from the sea
Cash them in and buy you all the things you need.

Every night before I rest my head
See those dollar bills go swirling 'round my bed.
I know they're stolen, but I don't feel bad.
I take that money, buy you things you never had.

Oh, baby, it would mean so much to me,
Oh, baby, to buy you all the things you need for
free.
I'll buy you a jet plane, baby,
Get you on a higher plane to a jet stream
And take you through the stratosphere
And check out the planets there and then take you
down
Deep where it's hot, hot in Arabia, babia, then cool,
cold
fields of snow
And we'll roll, dream, roll, dream, roll, roll,
dream, dream.
When we dream it, when we dream it, when we dream
it,
We'll dream it, dream it for free, free money,
Free money, free money, free money, free money, free
money,
free money.

Every night before I go to sleep
Find a ticket, win a lottery.
Every night before I rest my head
See those dollar bills go swirling 'round my bed.

Oh, baby, it would mean so much to me,
Baby, I know our troubles will be gone.
Oh, I know our troubles will be gone, goin' gone
If we dream, dream, dream for free.
And when we dream it, when we dream it, when we
dream

it,
Let's dream it, we'll dream it for free, free
money,
Free money, free money, free money, X7
Free money, free money, free money, free.
