found found found

found found found

someone who's worth it

in this murkiness

someone who's never

seeming scheming

found found found

found found found

someone who's worth it

in this murkiness

someone who's never

seeming scheming

Oh, but if I'd never found

oh, but if I'd never found

oh, but if I'd never found

I do believe that

the more you give your love

and I do believe that

the more you offer trust

the more you chase

the more you cry

the more you're bound to lose

the more you're bound to lose

Oh, but if I'd never found

oh, but if I'd never found

somebody

who wants to be

who wants to be

with me

all the time
