Golden lights displaying your name
Golden lights it's a terrible shame
But oh my darling
WHY DID YOU CHANGE ?

Boy in a million, idol, a big star
I didn't tell you how great you were
I didn't grovel and scream
And rip your brand new jacket at the seams
You made a record, they liked your singing
All of a sudden the phone stops ringing
Ah ... I never thought that you would let
The glory make you forget
Golden lights displaying your name
Golden lights it's a terrible shame
But oh my darling
WHY DID YOU CHANGE ?
Top ten idol, king of your age
Who do you turn to when you're backstage ?
Don't you remember you once knew a girl
You loved her more than the world
Is life always like this, brother ?
Good for one side but bad for another
I must put you behind me tonight
'Cause you belong to the lights
Those golden lights displaying your name
Golden lights it's a terrible shame
But oh my darling
WHY DID YOU CHANGE ?
Oh, oh my darling
WHY ?
WHY DID YOU CHANGE ?

Oh ...
