Hand in glove

the sun shines out of our behinds

No it's NOT like any other love

this one's different

because it's us!

Hand in glove

we can go wherever we please

and everything depends upon

how near you stand to me

And if the people stare

then, the people stare

oh I really don't know

and I really don't care

Hand in glove

the Good People laugh

Yes, we may be hidden by "rags"

but we have something they'll never have

Hand in glove

the sun shines out of our behinds

Yes, we may be hidden by "rags"

but we have something they'll never have

And if the people stare
then, the people stare
oh I really don't know
and I really don't care
So hand in glove I stake my claim
I'll fight to the last breath
If they dare touch a hair on your head
I'll fight to the last breath
The good life is out there somewhere
so stay on my arm, you little charmer
But I know my luck too well
yes, I know my luck too well
and I'll probably never see you again
I'll probably never see you again
I'll probably never see you again
