All the streets are crammed with things

eager to be held

I know what hands are for

and I'd like to help myself

you ask me the time

but I sense something more

and I would like to give you

what I think you're asking for

you handsome devil

you handsome devil

Let me get my hands

on your mammary glands

and let me get your head

on the conjugal bed

I say, I say, I say

I crack the whip

and you skip

but you deserve it

you deserve it, deserve it, deserve it

A boy in the bush

is worth two in the hand

I think I can help you get through your exams

oh you handsome devil

Let me get my hands

on your mammary glands

and let me get your head

on the conjugal bed

I say, I say, I say

I crack the whip

and you skip

but you deserve it

you deserve it, deserve it, deserve it

And when we're in your scholarly room

who will swallow whom?

and when we're in your scholarly room

who will swallow whom?

you handsome devil

Let me get my hands

on your mammary glands

and let me get your head

on the conjugal bed

I say, I say, I say

There's more to life than books you know

but not much more

oh you handsome devil
