I was happy in the haze of a drunken hour  
but heaven knows I'm miserable now  
I was looking for a job, and then I found a job  
and heaven knows I'm miserable now

In my life  
why do I give valuable time  
to people who don't care if I live or die

Two lovers entwined pass me by  
and heaven knows I'm miserable now  
I was looking for a job, and then I found a job  
and heaven knows I'm miserable now

In my life  
why do I give valuable time  
to people who don't care if I live or die

What she asked of me at the end of the day  
Caligula would have blushed  
"You've been the house too long" she said  
and I naturally fled

In my life  
why do I smile  
at people who I'd much rather kick in the eye

I was happy in the haze of a drunken hour  
but heaven knows I'm miserable now  
"You've been the house too long" she said  
and I naturally fled

In my life  
why do I give valuable time  
to people who don't care if I live or die
