"Margaret On The Guillotine"

Visit "[Margaret On The Guillotine](#)" on MotoLyrics.com

The kind people
have a wonderful dream
Margaret on the guillotine
because people like you
make me feel so tired
when will you die?
when will you die?
when will you die?
when will you die?
when will you die?
because people like you
make me feel so old inside
please die
and kind people
do not shelter this dream
make it real
make the dream real
make the dream real
make it real
