So, goodbye
Please stay with your own kind
And I'll stay with mine

There's something against us
It's not time
It's not time
So, goodbye, goodbye, goodbye, goodbye
I know I need hardly say
How much I love your casual way
Oh, but please put your tongue away
A little higher and we're well away
The dark nights are drawing in
And your humour is as black as them
I look at yours, you laugh at mine
And "love" is just a miserable lie
You have destroyed my flower-like life
Not once - twice
You have corrupt my innocent mind
Not once - twice
I know the wind-swept mystical air
It means : I'd like to see your underwear
I recognise that mystical air
It means : I'd like to seize your underwear
What do we get for our trouble and pain ?
Just a rented room in Whalley Range
What do we get for our trouble and pain ?
...Whalley Range !
Into the depths of the criminal world
I followed her ...
I need advice, I need advice
I need advice, I need advice
Nobody ever looks at me twice
Nobody ever looks at me twice
I'm just a country-mile behind
The world
I'm just a country-mile behind
The whole world
Oh oh, oh ...
I'm just a country-mile behind
The world
I'm just a country-mile behind

The whole world
Oh oh, oh ...
Take me when you go
Oh oh, oh...
Take me when you go
Oh oh, oh ...
I need advice, I need advice
