Take me home tonight  
where there's music and there's people  
who are young and alive  
driving in your car  
I never never want to go home  
because I haven't got one anymore

Take me home tonight  
because I want to see people  
and I want to see life  
driving in your car  
oh please don't drop me home  
because it's not my home, it's their home  
and I'm welcome no more

And if a double-decker bus  
crashes in to us  
to die by your side  
is such a heavenly way to die  
and if a ten ton truck  
kills the both of us  
to die by your side  
well the pleasure, the privilege is mine

Take me home tonight  
take me anywhere, I don't care  
I don't care, I don't care  
and in the darkened underpass  
I thought Oh God, my chance has come at last  
but then a strange fear gripped me  
and I just couldn't ask

Take me home tonight  
oh take me anywhere, I don't care  
I don't care, I don't care  
driving in your car  
I never never want to go home  
because I haven't got one  
no, I haven't got one

And if a double-decker bus

crashes in to us  
to die by your side  
is such a heavenly way to die  
and if a ten ton truck  
kills the both of us  
to die by your side  
well the pleasure, the privilege is mine

There is a light that never goes out  
There is a light that never goes out  
There is a light that never goes out  
There is a light that never goes out
