Work Is A Four Letter Word

Loving You
Is Driving Me Crazy
People Say
That You Were Born Lazy
"Cause You Say
That Work Is A Four Letter Word

So Change Your Life
There Is So Much I Know
(That) You Can Do
(Please) Come And See Me
Wide Awake And Take All Of This Love
That Is Waiting For You

If You Stay
I'll Stay Right Beside You
And My Love
May (Might) Help To Remind You
To Forget
That Work Is A Four Letter Word
I Don't Need
A House That's A Showcase
I Just Feel
That We're Going No Place
When You Say
That Work Is A Four Letter Word
