(chorus)

I don't care what
they think about me and
I don't care what they say
I don't care what they
think if you're leaving
I'm gonna beg you to stay
I don't care if they
start to avoid me
I don't care what they do
I don't care about anything else
but being with you
being with you

Honey don't go
don't leave this scene
Be out of the picture
and off of the screen
Don't let them say
"we told you so"
Don't tell me you love me
and then let me go

I heard the warning voice
from friends and my relation
They tell me all about your
heart-break reputation

(chorus)

Ooh ooh ooh ooh

ooh ooh ooh
Ooh ooh ooh

People can change
they always do
Haven't they noticed
the changes in you?
Or can it be that like
love I am blind?
Do I want it so much

'til it's all in my mind?

One thing I know for sure
is really really real
I never felt before
the way you make me feel

(chorus)

Being with you (you)
Being with you, ooh
(Being with you)
I don't care about anything else
but being with you
being with you
Being with you (you)
Being with you, ooh
(Being with you)
I don't care about anything else
but being with you
being with you

(repeat to fade)
