Cruisin'

Baby, let's cruise away from here
Don't be confused, the way is clear
And if you want it, you got it forever
This is not a one night stand, baby, yeah

So let the music take your mind, ooh
Just release and you will find

You're gonna fly away
Glad you're going my way
I love it when we're cruisin' together
The music is played for love
Cruisin' is made for love
I love it when we're cruisin' together

Baby, tonight belongs to us
Every thing's right, do what you must
And inch by inch, we get closer and closer
To every little part of each other, ooh, baby, yes

Let the music take your mind
Just release and you will find

You're gonna fly away
Glad you're going my way
I love it when we're cruisin' together
Music is played for love
Cruisin' is made for love
I love it when we're cruisin' together

Cruise with me, baby
Cruise with me, baby
Cruise

Oh, oh, baby, yeah
Ooh, baby
Ooh, ooh
Ah, baby

So good to cruise with you, baby

So good to cruise with you
Ooh, yeah
You need me, baby

Ah, baby let's cruise
Let's flow, let's glide
Ooh, let's open up and go inside

And if you want it you got it forever
I can just stay there inside you
And love you, baby, oh

Let the music take your mind
Just release and you will find

You're gonna fly, yeah
I'm glad you're going my way
I love it when we're cruisin' together
The music is played for love
Cruisin' is made for love
I love it when we're cruisin' together

Oh, baby, you're gonna fly away
Glad you're going my way
I love it when we're cruisin' together
The music is played for love
Cruisin' is made for love
I love it, I love it, I love it, I love it

You're gonna fly, yeah
I'm glad you're going my way
I love it when we're cruisin' together
The music is played for love
Cruisin' is made for love
I love it, I love it, I love it, I love it, I love it

You're gonna fly, yeah
I'm glad you're going my way
I love it when we're cruisin' together
Music is played for love
Cruisin' is made for love
I love it when we're cruisin' together
