[Inkspots:]

Into each life
Some rain must fall
But too much is falling in mine
Into each heart
Some tears must fall
But someday the sun will shine

Some folks can lose the blues in their hearts
But when I think of you, another shower starts

Into each life
Some rain must fall
But too much is falling in mine

[Ella:]

Into each life
Some rain must fall
But too much, too much, is fallin' in mine
Into each heart, some tears must fall
But someday- the sun will shine!

Some folks can lose the blues in their hearts
But when I think of you, another shower starts

Into each life
Some rain must fall
But too much is fallin' in mine

[Inkspots:]

Into each and every life some rain has got to fall
But too much of that stuff is falling into mine
And into each heart- some tears gotta fall
But, I know, that some day that sun is bound to shine

[Together:]

Some folks can lose the blues in their hearts
But when i think of you, another shower starts
Into each life some rain must fall
But too much is fallin' in mine.
