Let's Take a love bath baby
take a love bath baby
take a love bath baby
let's take a love bath baby

Put some water in the tub and do the body rub
Touchin...
Close as can be, i'm touchin you... youre touchin me

lets take a love bath baby
take a love bath baby
take a love bath baby
lets take a love bath baby

Hot! As a love can be
We got! all the time we need
I- E, dont want to end this night
soft candlelight, everythings right

lets take a love bath baby
take a love bath baby
take a love bath baby

lets take a love bath baby

(instrumental)

you, what a wonderful sight
all wet glowin' in the candlelight
i want to stay here forever
i want to see, if you can take all of me

let's take a love bath baby
take a love bath bab
take a love bath baby
lets take a love bath baby

(repeat in signature falsetto end fade)
