Soft and warm a quiet storm
Quiet as when flowers talk at break of dawn
Break of dawn
A power source of tender force
Generatin', radiatin'
Turn me on, turn me on
You short-circuit all my nerves
Promising electric things
You touch me and suddenly there's rainbow rings
Quiet storm blowin' through my life
Oh, quiet storm, blowin' through my life
Blow, baby
Windy sigh weaken my
Butterfly caught up in a hurricane
Hurricane
Lucky me, I'm better free
Suddenly I'm caught up
In your somber rain
Shower me with your sweet love
I will bathe in every drop
Through all the seasons let it pour and never stop
Quiet storm, blowin' through my life
Through my life
You're just like a quiet storm, blowin'
Through my life
Through my life
Through my life
Through my life
Through my life
Blowin'
Blowin'
Blowin'
Blowin'
Hail soft storms of love on me
Let them play on my desire
Kiss me softly
Let your lightning light my fire
Quiet storm, blowin' through my life
Through my life
You're just like a quiet storm
(Blowin')
Blowin', blowin'

(Through my life)
Through my life
Through my life
(Quiet storm)
(Blowin' through my life)
Quiet storm
(Blowin')
Oh yeah
Shower me with your sweet love
I will bathe in every drop
Through all the seasons let it pour and never stop
Quiet storm, blowin' through my life
Through my life
You're just like a quiet storm
(Blowin')
Warm and tender
(Through my life)
Oh, through my life
Quiet storm
