People say I'm the life of the party

'cause I tell a joke or two

Although I might be laughing loud and hearty

Deep inside I'm blue

So take a good look at my face

You'll see my smile looks out of place

If you look closer, it's easy to trace

The tracks of my tears..

I need you, need you

Since you left me if you see me with another girl

Seeming like I'm having fun

Although she may be cute

She's just a substitute

Because you're the permanent one..

So take a good look at my face

You'll see my smile looks out of place

If you look closer, it's easy to trace

The tracks of my tears..

I need you, need you

Outside I'm masquerading

Inside my hope is fading

Just a clown oh yeah

Since you put me down

My smile is my make up

I wear since my break up with you..

So take a good look at my face

You'll see my smile looks out of place

If you look closer, it's easy to trace

The tracks of my tears, baby, baby,baby,

Baby, take a good look at my face oh yeah

See my smile it's out of place ah look a little bit

Closer it's easy to trace the tracks of my tears (FADE)
