With a knick-knack patty-whack talkin' to you
We're gonna stop with the others and stop to think
about

Nothin' here and nothin' to say so
We gotta leave, we're gonna go now

If you've got something to do
With all the other pumps in there
Now put your hands in the air and shake it
As we're gonna go now
You've got something to say
With all the other pumps in there
Now put your bottlenose in the air

Here we go now
Gonna rock ya
And I'm sayin'
What we do now

If you've got something to do
With all the other Pumps in there
Now put your hands in the air and shake it
As we're gonna go now
If you've got something to say
With all the other pumps in there
Not put your bottlenose in the air -Yeah

With a Knick-knack patty-whack talkin' to you
We're gonna stop with the others and stop to think
about

Nothin' here and nothin' to say so
We gotta leave, we're gonna go now

You've got something to do with all the other pumps in
there
Now put your hands in the air and shake it
As we're gonna go now
You've got something to say
With all the other pumps in there
Now put your bottlenose in the air -Yeah

Here we go now
Gonna rock ya
And they're sayin'
What we do now
