And if you want it, I hope it's easy,
You can try, and when you figure out.

And if you want it, I hope it's easy,
You can try, and when you figure out.
That there's no easy way out.
You know what to say, you try and you're waiting.

Ooh, ooh. Ooh, ooh. Ooh, ooh. Ooh, ooh, ah, ah.

And if you want it, I hope it's easy.
You know what to say, you try and you're waiting.

Ooh, ooh. Ooh, ooh. Ooh, ooh, ah, ah.

And if you want it, I hope it's easy.
You know what to say when you try and you're waiting.

If you call me on this,
I'm right, I'm righter.
If you call me on this,
I'm right, I'm righter.
If you call me on this,
I'm right, I'm righter.
If you call me on this,
I'm right, I'm righter.

Ooh, ooh. Ooh, ooh. Ooh, ooh, ah, ah.

And if you want it, I hope it's easy.
And if you want it, I hope it's easy (there's no easy way
out).
And if you want it, I hope it's easy (there's no easy way
out).
And if you want it, I hope it's easy (there's no easy way
out).

Out.

And if you want it, I hope it's easy.
And if you got it, I hope it's easy.
And if you want it, I hope it's easy.

And if you want it, I hope it's easy.

Ahh ah. Ahh ah. (ooh, ooh, ooh.)

Ohh ooh oh oh...
