(Na-na-na na-na-na-na-na na-na-na-na-na na-na-na-na-na...)

And you found him
And you know what to say when you fine
You're fine, you're trying
And you know what to say when you find

(Na-na-na na-na-na-na-na na-na-na-na-na na-na-na-na...)

And you found me
And you know what to say when you find
When you found him
And you know what to say when you're fine

You're gonna figure yourself out
You've got too much on your hands now
Take the rest
You can't handle it all
Gotta give yourself time now
Give yourself time now yeah-yeah

Find a way
Figured you out
Find yourself
Trying again
Calm yourself
Figured me out
Trying again
Trying again

(Na-na-na na-na-na-na-na na-na-na-na-na na-na-na-na-na...)

And you found him
And you know what to say when you're fine
You're fine, you're trying
And you know what to say when you find

(Na-na-na na-na-na-na-na na-na-na-na-na na-na-na-na-na...)

And you're trying
And you know what to say when you find
You're fine, you're trying
And you know what to say when you're fine

You're gonna figure yourself out
You've got too much on your hands now
Take the rest
You can't handle it all
Gotta give yourself time now
Give yourself time now yeah-yeah

Find a way
Figured you out
Find yourself
Back to figure out
