Uh-huh, Uh-huh, yo yo
Uh-huh, Uh-huh, yo guys
Everyone, are you feeling bad today, cause
Maybe you should be a little happier
If you're doing this for real now
You shouldn't make any mistakes when it was bad
See now I'm going everywhere I can
I'm helping you
If you're sad, if you're mad
If you're feeling happy
That's great
See, everyone should be
If you're stomping your feet to the beat
I think that's great
If you're trying to play
Go play
Maybe football, maybe soccer
Get on a soccer team
You can help them
See I don't really care where I go
You can go here or there, anywhere
Doesn't really matter to me
Cause I can go anywhere I want, Yo
Uh-huh, Uh-huh, yeah
Uh-huh, Uh-huh, yo yo
Uh-huh, Uh-huh, yo guys

Everybody are you feeling bad today, cause
Maybe you should be a little happier
If you're doing this for real now
Shouldn't make any mistakes when it was bad
See now I'm going everywhere I can
I'm helping you
If you're sad, If you're mad
If you're feeling happy
That's great
See everybody should be
If you're stomping your feet to the beat

I think that's great
If you're trying to play

Go play
Maybe football, maybe soccer
Get on a soccer team
You can help them
See I don't really care where I go
You can go here or there, anywhere
Doesn't really matter to me
Cause I can go anywhere I want yo
Uh-huh Uh-huh Rad!
