I lost my favorite Spanish cucumber  
In a freak boating accident  
And i don't think that i'm ever gonna get him back  
I lost my favorite Spanish cucumber  
Flying above the Alps  
And i don't think that i'm ever gonna get him back

You already told me not to try  
You already told me that he died

I lost my favorite Spanish cucumber  
When i was seven years old  
And i don't think that i'm ever gonna get him back  
I lost my favorite Spanish cucumber  
In the snow on a winter day  
And i don't think that i'm ever gonna get him back

You already told me not to try  
You already told me that he died

I lost my favorite Spanish cucumber  
In the snow on a winter's day  
And i don't think that i'm ever gonna get him back

You already told me not to try  
You already told me that he died  
You already told me not to try  
You already told me that he died!
