Oh the sun is out tonight

That I can't help myself, yeah-yeah

Oh the sun is out tonight

That I can't help myself, yeah-yeah

Oh the sun is out tonight

That I can't help myself, yeah-yeah

Oh the sun is out tonight

That I can't help myself, yeah-yeah

Oh the sun is out tonight

But, I still walk away, I walk away, yeah

Oh the sun is out tonight

I will walk away from -yeah

Oh the sun is out

I walk away from

Walk away from home again

Sometimes you can't help but

Walk away from

Walk away from, yeah-yeah

Oh the sun is out tonight

That I can't help myself, yeah-yeah

Oh the sun is out tonight

That I can't help myself

I don't know, I don't know, I don't know

And I try to find, try to find a way, I try to find

I still try to walk away, I walk away

I walk away, I walk away, away

Now I don't know, I don't know, I don't, and I don't

Try to find try not to walkâ€¦

Try to walk, try to walk away

I try to walk, try to walk away
