Now here's the thing about saying firetruck  
It starts F and it ends with UCK  
So whenever you're in trouble or out of luck  
You no longer have to exclaim "OH F\*\*K"  
Hey look at that they just bleeped me  
Instead say firetruck, it's so easy  
And I'd like to take a moment just sit right there  
I'll tell you how you can say firetruck anywhere

Stub your toe, FIRETRUCK  
Lose your cash, FIRETRUCK  
You're naked and your parents come home, FIRETRUCK  
Fail your class, FIRETRUCK  
Scratch your ass, FIRETRUCK  
Clip your nails too short and it hurts, FIRETRUCK  
Crap your pants, FIRETRUCK  
Bite your tongue, FIRETRUCK  
No one shows up to your party, FIRETRUCK  
Red Ring of Death, FIRETRUCK  
Forget to breathe, FIRETRUCK  
Found out your mom is your dad, FIRETRUCK

Say firetruck every chance you see  
It's even more fun when it gets bleeped  
Say it with me now, don't make this suck  
F\*\*\*\*\*UCK!  
Whoa man, did you just say f\*\*k?  
No man, I just said Firetruck  
But when you bleep it, it says f\*\*k  
Who cares man, we're sayin' firetruck!

Lose your teeth, FIRETRUCK  
iPhone bill, FIRETRUCK  
Jonas Brothers stuck in your head, FIRETRUCK  
Crash your car, FIRETRUCK  
Into your dog, FIRETRUCK  
Turns out your dog is your mom, FIRETRUCK

Wait, so now my mom's a dog?  
And your dad  
This is just getting ridiculous

You act like that's not normal  
IT ISN'T NORMAL.  
It is in Canada  
So they have man-dog-women in Canada?  
Yes

Fail science, FIRETRUCK  
Eat a pencil, FIRETRUCK  
There's over 500 Pokemon, WHAT THE FIRETRUCK!  
Lose the game, FIRETRUCK  
David Blaine, FIRETRUCK  
Get ran over by a... (what?) FIRETRUCK

So, yeah. Next time you wanna say the F word, just say  
firetruck. It's more polite.  
And if you didn't like this song, go f---retruck yourself
