The greatest thing ever just happened to me  
(You see!) Take that, Mom, you can't tell me how to be  
I'm livin' on my own and I've got no rules  
Yeah, I rule my own house and I'll tell you what I'll do (ha!)

First, I'll grab some milk; drink straight from the jug  
Then grab a sandwich, eat it butt-naked on the rug  
All these whack fruit snacks with only five in a pack...  
"Only eat one!" F\*\*K THAT! I'll snack 'til I yack!

No more parents! No more rules!  
Yeah, nice try, Mom, but I ain't no fool No more bath time! No more hugs!  
And if I feel like it, I will crap on the rug.  
No more mommy! No more dad!  
Livin' on my own; most fun I've ever had  
I'm eatin' cookies for breakfast 'cause I don't give a f\*\*k  
Shoot your squirties in the air and scream PARENTS SUCK!

My parents ain't around to tell me what I can't say,  
so I yell "f\*\*k" "s\*\*t" and "darn" every day.  
My parents ain't around to tell me what to do,  
so I leave the door open while I take a big poo  
My parents ain't around to make me mow the lawn,  
instead I'll watch dirty vids with the volume on  
My parents ain't around to say I can't watch certain flicks,  
They won't let me watch Bambi, what a bunch of dicks!

No more parents! No more rules!  
Yeah, nice try, Mom, but I ain't no fool  
No more bath time! No more hugs!  
And if we feel like it, we will crap on the rug.  
No more mommy! No more dad!  
Finally I can wear my skanky top that I had  
I'm eatin' shards of glass 'cause I don't give a f\*\*k!  
Shoot your squirties in the air and scream PARENTS SUCK!

No one to make me clean my room each day of the week  
No one to read me bedtime stories and kiss me on my cheek  
No one to zip my jacket when it's cold outside  
No one to tell me to take my insulin when I'm 'bout die  
No one to do my laundry when it stinks up the house  
No one to cuddle at night when I'm scared of a mouse  
No one to tell me to not take candy from strangers  
No one to tell me not to show my peepee to strangers
