Doing alright
A little jiving on a Saturday night
And come what may
Gonna dance the day away

Jenny was sweet
Show a smile for the people she needs
I'm trouble, let's drive,
I don't know the way you came alive

News is blue (the news is blue)
Has its own way to get to you
What can I do (what can I do)
When I remember my time with you

Pick up your feet
Got to move to the trick of the beat
There is no lead
Just take your place in the driver's seat
Driver's seat, oohoo, driver's seat, yeah

Doing alright
A little jiving on a Saturday night
And come what may
Gonna dance the day away

Driver's seat, oohoo, driver's seat, yeah

Jenny was sweet
There is no lead
Pick up your feet, pick up, pick up
Pick up your feet, gonna dance the day away

Driver's seat, oohoo, driver's seat, yeah
Driver's seat, oohoo, driver's seat, yeah
Driver's seat...
