Good evening, ladies and gentlemen

\*\*\* As I smash in the Chevy  
It's gettin', it's getting', it's gettin' kinda heavy  
As I smash in the Chevy  
It's gettin', it's getting', it's gettin' kinda heavy  
As I smash in the Chevy  
It's gettin', it's getting', it's gettin' kinda heavy

It all goes back to '85  
When I start gettin' \*\*\* every day of my life  
It really didn't matter what the \*\*\* look like  
I remember one night after the Sugar Ray fight

Wouldn't you believe it? Dog like a Retriever  
I went up in this big fat \*\*\* named Trina  
She had a best friend wit \*\*\* named Vanessa  
She told me to undress her, yes sir

Ain't no pressure, later that semester  
She put me down wit her homegirl named Tanisha  
She was so vicious, lips so luscious  
Suck a \*\*\* and have it shinin' like some dishes

Patricia, Patricia, she love the way I stick her  
I take her to the movies and now she even \*\*\*  
Big bucks, no whammies  
I had to meet this white \*\*\*, her name was Tammy

She lived in the Valley, she couldn't understand me  
But she let me dig out her homegirl named Brandy  
Now Brandy was a cute lil' thick \*\*\*  
She moved to the hood from the 206

She brought some new tricks, flippin' them squirrels in  
the pearls  
And turnin' out the neighborhood loose girls  
And I seen that, so I beat the yam  
So put her down, bottom \*\*\* on my team

And we began makin', breakin' \*\*\* taken

Whatever we won't see, she was upto fakin'  
It's real in the field, no mistakin'  
And cracked a lil' \*\*\*, yeah, she Jamaican

Time and time again, she would bring me \*\*\*  
And let me beat it up listenin' to 'One Love'  
Off some jerk chicken, I got mo' \*\*\*  
Now I'm \*\*\* her sister, it's gettin' real suspicious

But the \*\*\* is good, so they won't tell  
And now their next door neighbor, Clarissa Belle  
She been lookin' at me, I think she wanna hit  
But I'ma holla back because I'm on another \*\*\*

I'm on some other \*\*\*, I got a phone call  
From the mothaf\*\*\* President, y'all  
He said, "Snoop Dogg, how could I \*\*\* a \*\*\*  
And make her suck a \*\*\* and not get caught for the \*\*\*  
of it?"

I told him, "Look, here this is what you do  
Make that First Lady sell a lil' \*\*\* for you"  
I think he got it 'cause he left fast  
He left his daughters and a lotta cash

Well, what do you know? D O double G  
Major pimpin' out in D.C.  
And I'm a young pimp, got a lotta growin' left  
And you'se a young \*\*\* wit a lotta \*\*\*

Always keep a \*\*\* in check, blowin' out her train wreck  
Yeah, I might have to go adapt  
See every little \*\*\* I meet  
The stand outs, you know, the ones like Yvette

We \*\*\* in the car, behind the bar  
I shot it in her face and it went ahh  
My homeboy Charles went up in her sister  
Behind the garage

I was nasty, I was freaky, I was sick  
When y'all was tryin' to \*\*\*, I was teachin' her to suck  
\*\*\*  
Always tryin' to go up in a \*\*\*  
Got caught tryin' to \*\*\* at school, they asked me what I  
did it fo'

You know just what I told 'em  
I love \*\*\* and this \*\*\* is what I showed 'em  
And now they threw me out, now I'm at the pad  
I'm at a new school, way cool

New \*\*\*, new script, fresh fish  
Walk up in the dorm and I bust a new \*\*\*  
I'm in some new tail, when I holla back  
But for now, let me holla back and holla black

She's a twelfth grader in my Science class  
And I done seen her \*\*\*, yeah, boy, movin' fast  
See I was taught by and I was called I  
Betta move on somethin' fast if I thought I

Could claim a dame or game a brain  
Or tame a maim not wit the same old game  
See on some different stuff, I'm a different cut  
It's what I say and do that make the \*\*\* give it up

Oh, you wanna brag? I wanna brag to  
And what you gonna do when they ask you?  
Is you gon' tell a lie or you gon' keep it G?  
Or you gon' hold it all inside and you gon' tell on me?

It's all cool 'cause it was all good  
It's just another day in Doggy Dogg's neighborhood  
You better watch your girl 'cause if she's on the loose  
It's a 90 percent chance that she goin' to get pimp  
juiced  
Now what it do, what it is?  
Now you livin' wit dat \*\*\* and y'all got 4 kids

\*\*\* will be \*\*\* as I smash in the Chevy  
It's gettin', it's getting', it's gettin' kinda heavy  
\*\*\* will be \*\*\* as I smash in the Chevy  
It's gettin', it's getting', it's gettin' kinda heavy  
\*\*\* will be \*\*\* as I smash in the Chevy  
It's gettin', it's getting', it's gettin' kinda heavy
