

## Snoop Dogg "A Bitch I Knew"

Visit "[A Bitch I Knew](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Good evening ladies and gentlemen  
*[scratched:]* "Let's describe a certain female"

*[Chorus: Snoop]*

Bitches will be bitches as I smash in the Chevy  
It's gettin, it's gettin, it's gettin kind of heavy  
Bitches will be bitches as I smash in the Chevy  
It's gettin, it's gettin, it's gettin kind of heavy  
Bitches will be bitches as I smash in the Chevy  
It's gettin, it's gettin, it's gettin kind of heavy

*[Snoop Dogg]*

It all goes back, to '85  
When I start gettin pussy every day of my life  
It really didn't matter what the bitch look like  
I remember one night, after the Sugar Ray fight  
Wouldn't you believe it, Dogg like a retriever  
I went up in this big fat bitch named Treva  
She had a best friend with titties named Vanessa  
She told me to undress her, yessir  
Ain't no pressure, later that semester  
She put me down with her homegirl name Tanisha  
She was so vicious, lips so luscious  
Suck a nigga dick and have it shinin like some dishes  
Patricia, Patricia, she love the way I stick her  
I take her to the movies and now, she eat the dick up  
Big bucks, no whammies  
I had to meet this white bitch, her name was Tammy  
She lived in the Valley, she couldn't understand me  
But she let me dig out, her homegirl named Brandi  
Now Brandi was a cute little thick bitch  
She moved to the hood from the 2-oh-6  
She brought some new tricks, flippin them squirrels  
And the pearls, and turnin out the neighborhood little  
girls  
Hmm, and I seen that, so I peep the game  
So I put her down, bottom bitch on my team  
And we began makin, breakin bitches takin  
whatever we want, see she want with the fakin  
It's real in the field, no mistakin  
And crack the little bitch, yeah she Jamaican  
Time and time again she would bring me bud

And let me beat it up, listenin to "One Love"  
Off some jerk chicken, I got mo' bitches  
Now I'm fuckin her sister it's gettin real suspicious  
But the dick is good, so they won't tell  
And now they next door neighbor, Clarissa Bell  
She been lookin at me, I think she wanna hit  
But I'ma holla back, cause I'm on another bitch  
I'm on some other shit, I got a phone call  
From the motherfuckin president y'all  
He said, "Snoop Dogg, how could I fuck a bitch  
and make her suck a dick and not get caught for the  
fuck of it?"  
I called and look here, this what you do

Make the First Lady sell a little pussy for you  
I think he got it, cause he left fast  
He left his daughters, and a lot of cash  
Well what do ya know, D-O-double-G  
Major pimpin, out in D.C.  
And I'm a young pimp, got a lot of growin left  
And you's a young hoe with a lot of hoein left  
Always keep a hoe in check, blowin us a train wreck  
Yeah I might have to go in depth  
See every little hoe I met  
They're standouts, you know the ones like Yvette  
We fucked in the car, behind a bar  
I shot it in her face and it went "Ahhh"  
My homeboy Charles  
Went up in his sister, behind the garage  
I was menace, I was freaky, I was sick  
When y'all was tryin to hump, I was teachin them to  
suck dick  
Always tryin to go up in a hoe  
Got caught tryin to fuck in school they asked me what I  
did it fo'  
You know just what I told her?  
I love pussy, and this dick is what I showed her  
And now they threw me out, now I'm at the pad  
I'm at a new school, way cool  
New hoes, new script, fresh fish  
Walk up in the room and I bust a new bitch  
I'm in some new tail, wanna holla back  
But for now let me holla back Impala black  
She's a 12th grader, in my science class  
And I done seen the pussy, yeah boy I'm movin fast  
See I was taught by, and I was taught I  
better move on somethin fast if I thought I  
could claim a dame, or game her brain  
Or tame a man, not with the same old game  
See on some different stuff, I'm a different cut  
It's what I say and do to make the bitch give it up

Oh you wanna brag? I wanna brag too  
Now what you gon' do, when they ask you  
Is you gon' tell a lie, or you gon' keep it G  
Or you gon' hold it all inside or you gon' tell on me?  
Shit it's all cool, cause it was all good  
It's just another day in Doggy Dogg's neighborhood  
You better watch your girl, cause if she on the loose  
It's a 90 percent chance she gon' get pimp juice  
Now what it do, what it is  
Now you livin with that hoe and y'all got fo' kids

Bitches will be bitches as I smash in the Chevy  
It's gettin, it's gettin kind of heavy  
Bitches will be bitches as I smash in the Chevy  
It's gettin, it's gettin kind of heavy  
Bitches will be bitches as I smash in the Chevy  
It's gettin, it's gettin kind of heavy  
*[fades out]*
