Ya,uh

I was once told

You get your freedom

By letting your enemy know that

You'll do anything to get your freedom

Then you'll get it

It's the only way you'll get it

When you get that kind of attitude

They'll label you as a crazy negro

Or they just call you a crazy nicca

They don't say negro

Or they'll call you an extremist

Or a subversive

Or a setatus

Or a red or radical

But when you stay radical long enough

And get enough people to like you

You'll get your freedom

So don't rum around here

Tryin to make friends

With somebody whos deprivin'

You of your rights

Their not your friends

NO.. they ya enemys

And treat them like that

And fight them

And you'll get your freedom

And after you get your freedom

Your enemy will respect you, and will respect you

And i say that with no hate

Cuz i don't have no hate in me

I have no hate at all

So i say to you, Big Man

Im the man you think you are

If you want to know what I'll do

Figure out what you'll do

And I'll do the same

Only more of it NICCA

(damn... shit)

Oh it aint over muthafuccaz
