You know all the money we can  
And join ourselves while we do it  
All these hoes  
Ya dig  
Dog pound gangsta  
We travel in the world baby  
I'm keeping sto dog

The kush keep me calm while I'm on my grind  
It's a state of mind and at the same time  
Look at what I find while I'm on my grind  
While I'm stacking nickels, I keep cracking dimes  
I'mma travel to Costa Rica to re-up and we up and we  
tough you see us  
A stree up in the cut, it's just us  
It's just the way we make it happen  
Getting money and looking good  
A whole new scenario, all the ladies that real  
While I get out the hood  
Just fly as a star out in Rio de Janeiro  
Damn, I wouldn't change this shit for the world  
From Africa to Bangkok, stop look, listen what  
Hurry up, we just landed in Afghanistan  
Smoking on Afghanistan

All around the world we go  
And all I see is ladies  
And they're beautiful from head to toe  
(Yea, You know we all around the world)  
So I'm knockin' hoes and I'm makin' dough

Yea, the most beautifuls women, our scenes like the  
dreams  
Soon as I walk off the plane, you hear the gangsta  
theme  
I've been around the world, I've seen so many faces  
You and you, who me, girl? You gotta bump flexin

Out in the Venezuela, Columbia and Brazil  
Lookin at the ladies, they wear heels, show skills  
Lookin so good in the 2 piece bikini  
I whip the Lebanon the girls, look like Genie  
Lookin fly, so classy, so walk in it  
Late night clubbing, I mean it, now that's the business  
Worldwide domestic, so international  
We're conversating, laugh a few, doing what the  
players do  
Ha ha ha ha ha, girl that's the bizniss  
When I get into my car, you know what it is  
Break it down from the get go, you know I really can  
She aks, you can pass when you're on tour again  
I said...

All around the world we go  
(I'm around the world baby)  
And all I see is ladies  
And they're beautiful from head to toe  
So I'm knockin' hoes and I'm makin dough

France, Ukraine, do kane, Eugene  
Your thing, my boo, I do what I  
Fi nill and it's wit nill to the  
If don't, if not, I tell we she can get on  
World, lie, birds, heist  
Things your life all around the world  
First class flights  
No drop off, tip top off, make it pop off  
Gotta get you get you on til you got off  
Now hold my hands, Saint Tropez  
Walkin round with your feet in the sand  
This is a dream come true  
We are 1, 2, 3, 4  
But like e dough  
You are beautiful from head to toe  
So I took my time to write a rhyme about your whole  
design  
And trapped in time it's only gon age like wine  
Let me get my glass, so quick so fast  
Toast to the Boogie, baby lovin how you movin

All around the world we go  
And all I see is ladies  
And they're beautiful from head to toe  
So I'm knockin' hoes and I'm makin dough

All around the world we go  
(City to city we keep living, hear me)  
And all I see is ladies  
(So many beautiful ladies, ladies)

And they're beautiful from head to toe  
(Toe, toe, toe...)  
So I'm knockin' hoes and I'm makin' dough  
(Dough, dough, dough...)

Dog pound gangstas
