Goldie Loc, remember this last shit  
All these bitches wanting their bills paid  
And just calling niggaz scrubs and shit  
Shit we need to slide over 99 before the R2G  
You know we got to come back on these hoes my  
nigga... That's real  
With the DPGC Doghouse Style... Eastside up, check  
this out babe

[Hook]

When I wake up in the morning  
You give me breakfast in my bed  
And when I need a little loving  
You know you're quick to give me head

[Goldie Loc]

I woke up, gave it a good stretch  
Call my nigga so I can see what's next  
Big movie racking Goldie Loc slack-a-lackin'  
Bump head in the morning had a nigga crack-a-lackin'  
So I call my nigga Clean Right  
I know he gon have some bomb hoes tonight  
But I got to get this work done don't trip the Loc is all  
one  
Watch me get this second ??? bread with my ??? on  
He tried to get with the money I was making  
Tripping on my tricks now watch how they behaving

[Snoop Dogg]

You know what? Kiss me and I'll kiss you back

[Hook]

When I wake up in the morning  
You give me breakfast in my bed  
And when I need a little loving  
You know you're quick to give me head

[Snoop Dogg]

It's six am she won't pay him but she will pay me

OG baby, baby on bullshit most of the time  
Hoes did it fine, ain't she's like Ginuwine

I ain't got time to be messing around  
Let's hit the hotel and straight put it down  
You do me and I do you back  
That's how a pimp player do it like that  
I met you at the club so it couldn't be love  
Come to find out you the motherfucker scrub on the  
dub  
And now you wanna get in my tub and get a back scrub  
With Snoop d-o-dub?  
Hold on, put your clothes on, bitch you ain't bout to get  
your doughs on  
Go in the kitchen and hook me up something to eat  
And put the TV on BET  
And toss me a LA Times and roll one of them dimes  
And make sure the radio works  
And get me some orange juice with the ice in a cup  
I know I'm the man damn but I'm a motherfuckin pimp  
and I don't give a fuck  
And when I wake up in the morning, bitch you know  
what's up

[Hook]

When I wake up in the morning  
You give me breakfast in my bed  
And when I need a little loving  
You know you're quick to give me head  
You're the sweetest hoe I know  
And I'll never let you go  
Ooh ooh (ooh ooh)  
You gon be my back up hoe  
Ooh ooh (ooh ooh)  
You gon be my back up hoe
