[Snoop Dogg]

Beat up on yo' pads
C'mon little homie go on and beat up on yo' pads
Yeah, beat up on yo' pads
Ha ha (Steelers Steelers)
Yeah, beat up on yo' pads
C'mon little homie go on and beat up on yo' pads
You love football? Well beat up on yo' pads
If you down with Snoop Dogg go on and beat up on yo'
pads
All my little homies beat up on yo' pads
C'mon little homie go on and beat up on yo' pads
If you're runnin the ball then speed up on 'em fast
Ain't no need to play with 'em, go on beat up on yo'
pads

They bang every Saturday and Sunday loc
SYFL, man it ain't no joke
Helmets and shoulder pads, ain't no bulletproof vests
See ain't too many options on the wild wild West
See I've been blessed, so I guess that I can give back
Football in the hood dog, you dig that
I brought the demos back and that's just one
I'm in Pomona with the Steelers, come and get some
Want some'n bad enough take it
Them runningbacks dippin, cuttin and shakin, you ain't
gettin none
Inside-out, hit the eight gap
I love it when they say that - who's house?!
C house, G house, P house, D house
Well, we house wherever we go, blowin 'em out

Lettin 'em know, never know that you could shine
It's all for the kids and plus they havin a good time
And as long as I live
I'ma stay doin positive and helpin the kids

So when you see me on the football field
"I need to holla at you Doggy Dogg!" Homie chill (chill nigga!)

Now what you need to do is read up on my past
'fore I have my little homies go and beat up on yo' ass
Matter fact, little homie go and beat up on yo' pads
Show 'em how we get out ball on, beat up on yo' pads
Yeah, go on and beat up on yo' pads
All my little homies go ahead and beat up on yo' pads
If you a, ball player, then beat up on yo' pads
SYFL, homie beat up on yo' pads
Yeah, go on and beat up on yo' pads
All my little homies go and beat up on yo' pads
Aw yeah, beat up on yo' pads
Ain't nuttin to it but to do it, beat up on yo' pads-pads
Yeah, go on and beat up on yo' pads
C'mon little homie go on and beat up on yo' pads
Celebratin just beat up on yo' pads
All in together now just beat up on yo' pads
Yeah, go on beat up on yo' pads
All you football players go on and beat up on yo' pads
All in together now, c'mon y'all (beat up on yo', beat up on yo')
Go on beat up on yo', beat up on yo', beat up on yo'
pads-pads

[Outro: Snoop]

For all my little homies in the Snoop Youth Football League
Yeah, you know Coach Snoop love y'all
Ain't nuttin to it but to do it, uh
For all my future NFL stars (yeah)
Yeah from the SYFL to high school (get it)
On to college, on to the big leagues
That's what it does
Yeah (run little homies, run run little homies, run!)
For the kids man, it's for the kids man!
It's for the kids, hold on hold, back up *[fades out]*
