Get your money with your hand
Executive branch blow ma smoke like a player
Yeah in the club, yes it cracks
Cute little mama, put the stacks with bags
I'm smokin' weed purple urple
You and doggie world come and join my circle
I'll break down herbal til I move like a turtle
My money gets drain and my Porsche is turbo
In hot pursuit, come right with Snoop
Maybe it's the lawyer, her body the truth

I'm in the gate for real, it takes to chill
I walk in the club and make quite a deal
I'm the big dogg, best beware
You're coming with me, if you stops the stares
You'll be on my team in my car on the way to the spot
Yes you are, toast and love, toast and love
And when we're done, we west coasting love
