[Kokane]

Fuck you niggas
Think you can't fuck with me

[Suga Free](Snoop Dogg)

Oh c'mon
Now that pimp is gonna jump back
Bitch, and fuck that
Shit, I'm qualify to knock a hoe no matter where ever

Break the bitch you say "I will"
Separate the bitch but you saying "I will"
Damn nigga, shit
Since you but it like that
I'mma lay some right now nigga
And take them straight to the track (track)
I've never let a bitch pimp me
Trying to tell me what to do but I'mma stay O.G.
Fresh out the pen only 30 today (30 today)
And every bitch ? in a multiply ways
Now since world
Why did the little girl walk around with a gold fish in her
pocket
So she could smell like the big girl
And check the one with the fast mouth
Just get your money if you have to knock her
motherfucking ass.

[Kokane]

I don't care whatcha do
Long you don't fuck with mine (C'mon sing ya'll)
You think you can't be touch
Niggas disappear all the time.

[Snoop Dogg]

And separate you from your children (Daddy)

All the G's from my set ain't never P-C-up(hahaha)

Paying motherfuckers off cause sucka duck
Me and my niggas go heart and pain

Throw your set up and wave it from (Rolling) side to c-
side

[Suga Free]

You a hoe, I never will (Never will)
Can't tell you my feelings

Bitch, It's jumbo lance with proper proper jumbo shrimp
Since I'm prepare with my hoe
Got it cracking with my hoe
Study macking with my hoe
Now I'm stacking with my hoe.

[Snoop Dogg]

I pop a bottle of Mo
About to model a hoe
I'm working them, serving 'em and breaking a ? (You
know)
Did the weed, man get in
Take it too long
But when he get it dogg
I'm taking us off (Give it up nigga)
Niggas know how D-O-double G "does it"
Known for making that crip hop music
Don't abuse
Just ride to the rhythm of a pimp ass, upper class, cold
motherfucker.
