Niggas, get your milla genuine draft
'Cause it's milla time
We about to go hard on these hoes
On this one right here

Can you control yo hoe?
(You got a bitch that won't do what you say)
You can't control yo hoe?
(She hardheaded, she just won't obey)

Can you control yo hoe?
(You've got to know what to do and what to say)
Listen, you've got to put that bitch in her place

Even if you're slapping her in her face
You got to control yo hoe
Can you control yo hoe?

I went to your house
Your girl came in and started cussing you out
You should have slapped her in her face
I wanted to tell you but it wasn't my place

I kept it on the low
'Cause I knew that you was gonna check that hoe
But instead, you was quiet as a mouse
Maybe start to think that it wasn't your house, house

'Cause she was acting like a nut
You got a kind of bitch that'll kick your butt
What kind of pimp holds back?

Never met a bitch that a pimp can't slap
What's wrong with the pimpin'?
Why you get a whippin'? All I got to say is this

Can you control yo hoe?
(You got a bitch that won't do what you say)
You can't control yo hoe?
(She hardheaded, she just won't obey)

Can you control yo hoe?

(You've got to know what to do and what to say)
Listen, you've got to put that bitch in her place

Even if you're slapping her in her face
You got to control yo hoe
Can you control yo hoe?

This is what you made me do
I really didn't want to put hands on you
But bitch, you playin' with fire
I'm so sick and tired

Of loud mouth bitches like you
A nigga had to go and put tips on you
'Cause bitch, you playin' with fire
I'm so sick and tired, bitch

This is what you forced me to do
I really didn't want to put hands on you
But bitch, you playin' with fire
I'm so sick and tired

Of bitches like you
A nigga had to go and put tips on you
Bitch, you playin' with fire
I'm so sick and tired

Can you control yo hoe?
(You got a bitch that won't do what you say)
You can't control yo hoe?
(She hardheaded, she just won't obey)

Can you control yo hoe?
(You've got to know what to do and what to say)
Listen, you've got to put that bitch in her place

Even if you're slapping her in her face
You got to control yo hoe
